

Technical & Hospitality Rider Info for Scott & Maria Concert

Technical Rider

Minimal Set up:

2x vocal mics and stands
1 x electro acoustic D.I.
1 x mic for cajon box drum

Full Set up:

2x vocal mics and stands
1 x electro acoustic D.I.
2 x mics for cajon box drum (bass drum mic at the back and snare mic in front)
1 x mix for hand drum
1 x mic for harmonium

We can provide most of the above , plus a small PA if necessary.

Extra musicians: on occasion we are joined by a bass player and additional drummer, which can be discussed.

Hospitality Rider

If food or drink is provided, please be aware that we do not drink alcohol, and have a plant based diet.

Provisions (if provided):

- Water (for stage performance)
- Tea
- Plant based meal

If food is provided, we'd prefer to eat either 1 hour+ before performing, or after the performance.

Thank 🙏 you
